To our Sponsors and Guests,

On behalf of the Junior League of Charlottesville, we would like to welcome you to Vintage Vegas! We are delighted to have each of you here to share in the fun and excitement of our inaugural casino night fundraiser. We appreciate your support of the Junior League and its 75-year commitment to the Charlottesville community.

Initially founded as "The University League" in 1932, the organization joined the ranks of The Association of Junior Leagues International Inc. (AJLI) in 1981. To date we have given over \$1,000,000 and almost as many hours of hands-on volunteer service to the underserved population in our area. Today we are still committed to promoting volunteerism, developing the potential of women, and improving Charlottesville and the surrounding communities through the effective action and leadership of trained volunteers.

We are pleased to let you know that one-hundred percent of the proceeds from tonight's event go directly back to our community through our Community Grants Programs, Community Partnerships, and the Emily Couric Community Advocacy Award. So keep on bidding on our terrific auction items and buying tickets for our final prize drawing! We could not continue to carry out our mission without the backing of each and every guest at our event.

This event would not be possible without the generosity of our sponsors and auction item donors. We are most appreciative of your interest in our community and your faith in the Junior League of Charlottesville.

Thank you to the Board of Directors for your support and enthusiasm as we launch this new event. To our Fundraising Committee, thank you for your creativity and hard work in planning and executing Vintage Vegas. And finally, to our families, thank you for sharing our belief in this cause and for sharing us with this organization. We are proud to be a part of the Junior League and of this evening.

Sincerely,

Ronda Rennick McCauley and Meggie Strickler Powers
